

DISTRICT 7410

RYLA 2011

PLEASE READ THIS!!

Dear President,

Please give this complete packet to the Rotarian who will oversee your club's RYLA 2011 program. Thanks!

Dear Club RYLA Committee Chair,

With your help the Rotary Youth Leadership Award (RYLA) Conference will once again be a great experience for all involved. Please send me your name, Rotary Club name and e-mail address ASAP so that I know that you are the RYLA contact for your club for 2011.

Send to: Barbara Petty, E-mail: barbararaypetty@comcast.net

The RYLA committee has created this packet so that you can properly:

- Promote the RYLA program in your community
- Interview and select potential RYLA candidates
- Send the completed applications to the District RYLA Registrar in a timely manner.

Qualified candidates are those high school students finishing their sophomore year who demonstrate the potential to benefit from a program designed to nurture and instill confidence in their leadership skills and abilities. Your club can sponsor at \$300 per student as many students as you deem qualified.

Please follow the procedures outlined in the enclosed material. If you have questions, please contact: Barbara Petty, RYLA Chair at barbararaypetty@comcast.net (570) 885-0731

Please make copies of this information right away, especially the application pages.

Please review the enclosed information so that you know - **which information** is to be given to **potential** candidates and which is to be given to the **student(s) you select**. Include the high school administration in your plans, but be sure to have **Rotarians interview** and **select** the students you sponsor to RYLA. Thank you for your cooperation. I look forward to working with you.
